

## American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the business they are recognized within the industry as providing durable and strong machines that satisfies all the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company who is presently also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln could supply components, warranty service and equipment for these types of scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results matter. Lately, this particular floor scrubber model has been used by the architects in various construction projects such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site due to the model's high standard of quality and utmost performance level for polishing concrete.
