

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to giving new design concepts and top quality to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like offering items which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, along with owners' strong desire to significantly lessen cost through productivity gains.

When needed, the workers within TREK and its numerous dealer members in both technical support and parts will be accessible. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment ready and working daily is top priority. The company's top of the line technology delivers dependable equipment that eventually reduces your cost of cleaning. The product, the price and the service all work as one to make them the leader in the business.
